VIRTUAL REALITY

A NEW DIMENSION of IMMERSIVE ENTERTAINMENT

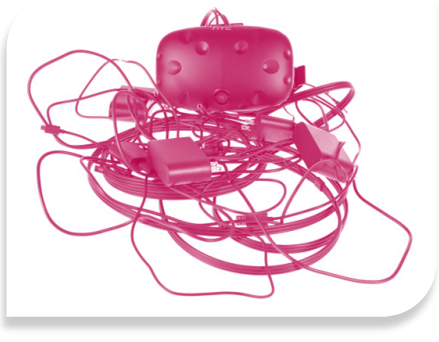
CREATIVE WORKS

Shaffer Distributing Company

People love to experience virtual reality
BUT with in-home entertainment options…

Space Requirements
Most people don´t have enough space: 10’x10’

Cost Involved
Hardware cost is substantial for several years to come.



Difficult to setup
It is not hassle free.
Needs IT knowledge

Isolating Experience
Easy to feel very alone.
No real social contact.

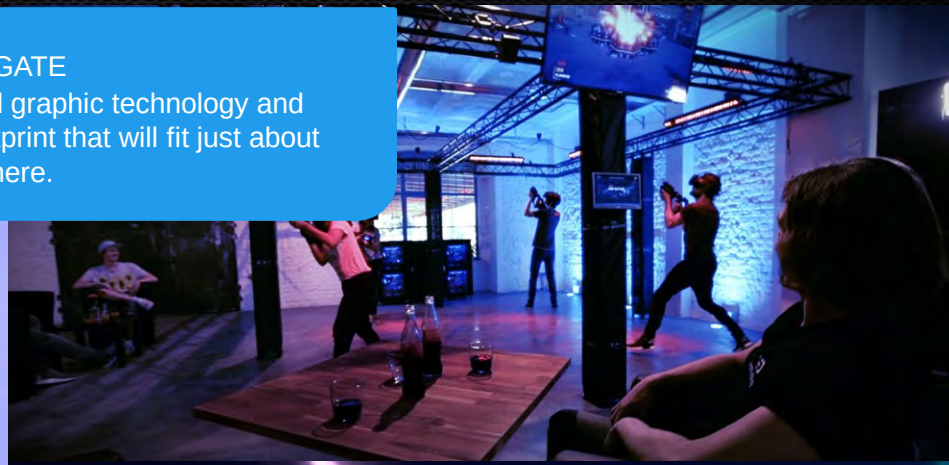
CREATIVE WORKS

THE SOLUTION

HOLOGATE

HOLOGATE

Hologate brings advanced graphic technology and immersion with a small footprint that will fit just about anywhere.



Other VR options on the market have been too expensive or lacked the right technology. You need the right balance of cost, space allocation, and revenue. HOLOGATE fits the bill.

TESTIMONIALS

Daan Kip
CEO FOUNDER VRBase

After 3 games I still couldnt get enough. Especially the PvP is majorly fun and a workout both!

Pablo Sanchez
HBO Senior Writer Producer

This was the best experience I had at Gamescon 2017.

Peter Frolund
Vice President Europe - HTC Vive

A super impressive turn key solution, ready to set up - everywhere.

Kwebbelkop + Azzyland
Youtube stars -7M followers

It was incredible, so much fun to work as a team. Extremely immersive!

Kuro
Gameswelt –Chief Editor

This was crazy fun and physically exhausting. Make sure to bring your friends.!
