COLOR CHANGING
LINKABLE LIGHTSHOW

DESCRIPTION

This attention grabbing claw machine features a sturdy all-metal construction and is packed with extra features like a color changing face. The bright colors, lights and sounds attracts kids who want to play to win plush toys. The claw can be configured as a traditional skill crane machine or play-till-you-win. The Fun Zone crane machine is fun for all and is a proven money maker. This great-looking crane can be linked together in increments up to six units.
