

CUBIC 4 CATCHER

Cubic 4 Catcher

PRIZE CRANE FOR THE FAMILY

Cubic 4 Catcher is a brand-new prize crane from Sega, the makers of the global sensation UFO catcher crane. Peek from above and try to catch the prizes! At just 1m (3.2ft) high this game features a transparent ceiling giving the player a unique birds eye perspective that will fascinate them as they try to collect prizes. A simple joystick controller let's the player move the claw within a time limit.

Other players are quickly attracted to join the fun on this four player cabinet. The see-through cabinet design, attractive lighting and a play position on every side makes this a ideal centrepiece in any arcade and or Family Entertainment Centre.
