

MISSION: IMPOSSIBLE ARCADE

MANUFACTURED BY: SEGA

4 PLAYER

YOUR MISSION, SHOULD YOU CHOOSE TO ACCEPT IT

Agent, your mission should you choose to accept it, is to save the world by sabotaging enemy plans that aim to weaponize humanoid robots. You will have a range of weapons and high-tech gadgets at your disposal to complete your mission but remember time is not your side.

Sega brings the multi-billion dollar blockbuster film franchise MISSION: IMPOSSIBLE to the amusements market. SEGA's Mission: Impossible Arcade is an adrenaline-fueled video game, that is set to rock the amusements world in 2020.

The awe-inspiring 4 player Super Deluxe Attraction cabinet is designed to look like the IMF (Impossible Mission Force) safe house and features the iconic fuse along with various interiors details that convey the feel of a top-secret high-tech spy hideout.
