High Throughput | Action-Packed | Free-Roaming | Backpack Free

THE BEST THROUGHPUT

With up to 100 players per hour and no heavy equipment, VEX Arena is one of the best free-roaming attractions in terms of throughput. Game time is adjustable from 5 to 15 minutes, in order to be able to customize your customer's experience according to your business.

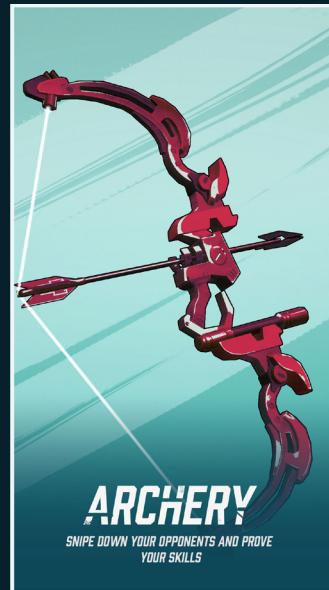

FROM 144 TO 1090 SQ. FT

VEX Arena can adapt to almost any situation. With a play area going from 144 to 1090 square feet and the ability to integrate elements like columns or pillars directly in the games, it will fit pretty much anywhere in your business.

E-SPORT FRIENDLY !

VEX Arena offers multiple competitive games, each one providing different sensations and stimulating people to come back for more. From the classic Death match to more trendy games like Battle Royale, everyone will find their match by choosing between one of the seven modes available.
